Consider the Lilies

Courtlynn Noack | Austin, TX

- I started my own company, Consider the Lilies, two years ago after being asked to provide weekly florals at my favorite bakery, Jane and John Dough. I quickly caught the entrepreneur bug and have been fallen deeply in love with the flower world. I have had the pleasure of working under some of Texas' favorite florists, and dream of one day having my own studio and design team. I'm a hard-working, people-loving, organized gal!
